

Help shape the future of Wakefield's Cathedral Quarter!

We're looking for young people to share their ideas and help create a vision for the future of one of Wakefield's most important city centre areas.

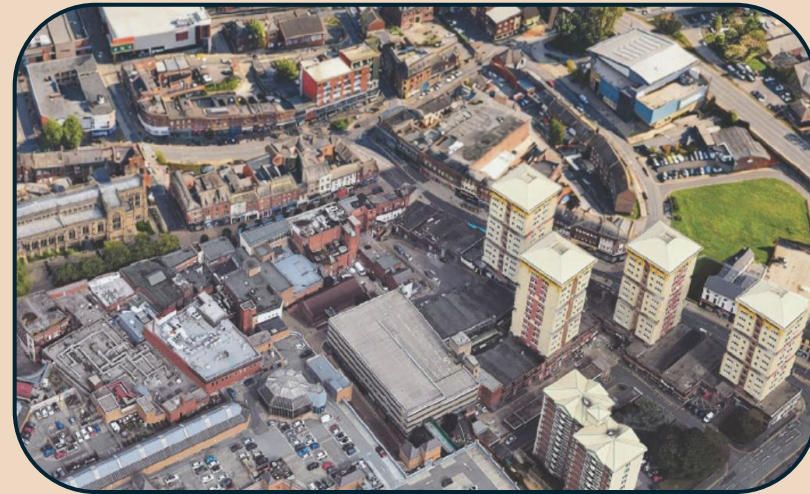

Wakefield City Council and Muse are starting a conversation about how the Cathedral Quarter could evolve in the years ahead. Before any plans are developed, we want to hear from the people who know Wakefield best – including the next generation.

Why get involved?

This is your chance to influence the future of your city.

We want to hear:

- What you love about Wakefield city centre
- What's missing for young people
- What would encourage you to spend more time in the city centre

What's in it for you?

- Have a real say in the future of Wakefield
- Make sure young people's voices are heard
- Meet new people and share ideas
- Help influence future plans for the city centre
